## **System change / shut down at the ÖBB on February 26, 2010**

Ladies and Gentlemen!

Due to a system adaptation at the Austrian Federal Railways on Friday, February 26 2010, the server of the ÖBB will be shut down in the afternoon.

Due to this we will only be able to offer information as well as issue tickets up to 12 o'clock this day.

Please consider this when planning your travel.

Yours sincerely,

Your Carlson Wagonlit Travel Team
